ABOUT YAVI COSMETICS

In Initial days of brand conceptualization, the biggest question for us was the right market place from which we can reach out important consumers. Well there were lot of potential ways to do it but we found professional beauty industry as the best fit to our research driven, very carefully crafted portfolio of skin therapy.

Our Skin Care company was established by Mr Neeraj Aggarwal and Mrs Neha Aggarwal in 2005. Yavi Cosmetics is India's leading natural cosmetics company. Combining ancient wisdom from the Vedas with 21st century technology. We offer a range of over 200 skin care products for the retail and professional markets. Yavi Cosmetics is more of a sensibly premium, professional skincare range of products. As our clients demands something close to 100% natural and something which is much more potent that the standard cosmetic regime. Under our brand "FYC professional" we have a large number of products for professional skin care and routine beauty care products.

BRAND PROMISES

NATURAL BEAUTY

The extensive line of FYC Professional skin care products addresses a variety of skin types, conditions and needs. Whether you are looking for a solution for sun damage, severe dryness, sensitivity, premature aging, wrinkles, acne, rosacea or simply want to treat your skin to a beautifying experience, choose FYC Professional. Your aesthetician can help you select the products ideally suited to your skin. A natural, skin care solution for professionals with high performance.

PRODUCTS QUALITY

Yavi Cosmetics focuses on modernity the development of its products is based on "High-Tech" advanced active cosmetology, based on natural ingredients and special technique, which offer effective and visible results. All the products are bio-compatible (i.e. formulated with substances equivalent to the skin). The quality of products is managed by best professionals mainly from the cosmetic and herbal industry with a collective experience of more than 20 years.

PUREWHITE

Whitening Vitamin-C Facial Kit

As the amount of collagen in the skin tends to decline with age, accelerated by sunlight, lifestyle, free radicals and inflammation, topical application of Vitamin C on the skin becomes imperative. It effectively boosts collagen synthesis and slows its degradation. Being a rich antioxidant, Vitamin C also limits skin damage from free radicals and helps reduce sunburn.

Contents :

- Calming Cleanser
- Brightening Peeling Lotion
- Vitamin-c Peel Powder
- Stay Magic Facial Essence
- Stay Magic Mask Tablets
- Rejuvenating Cream
- Vitamin-c Algae Mask

Result :

- Skin looks healthy and supple
- Revives and Refines the Skin
- Reduces sunburn & tanning
